

## Pedigree confirmed by markers

Prime name: **SABRO B**

Variety number VIVC: **25056**

| Prime name of pedigree parent 1: <b>HEBEN B</b><br>Prime name of pedigree parent 2: ? |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                         |
